General Public

Questions
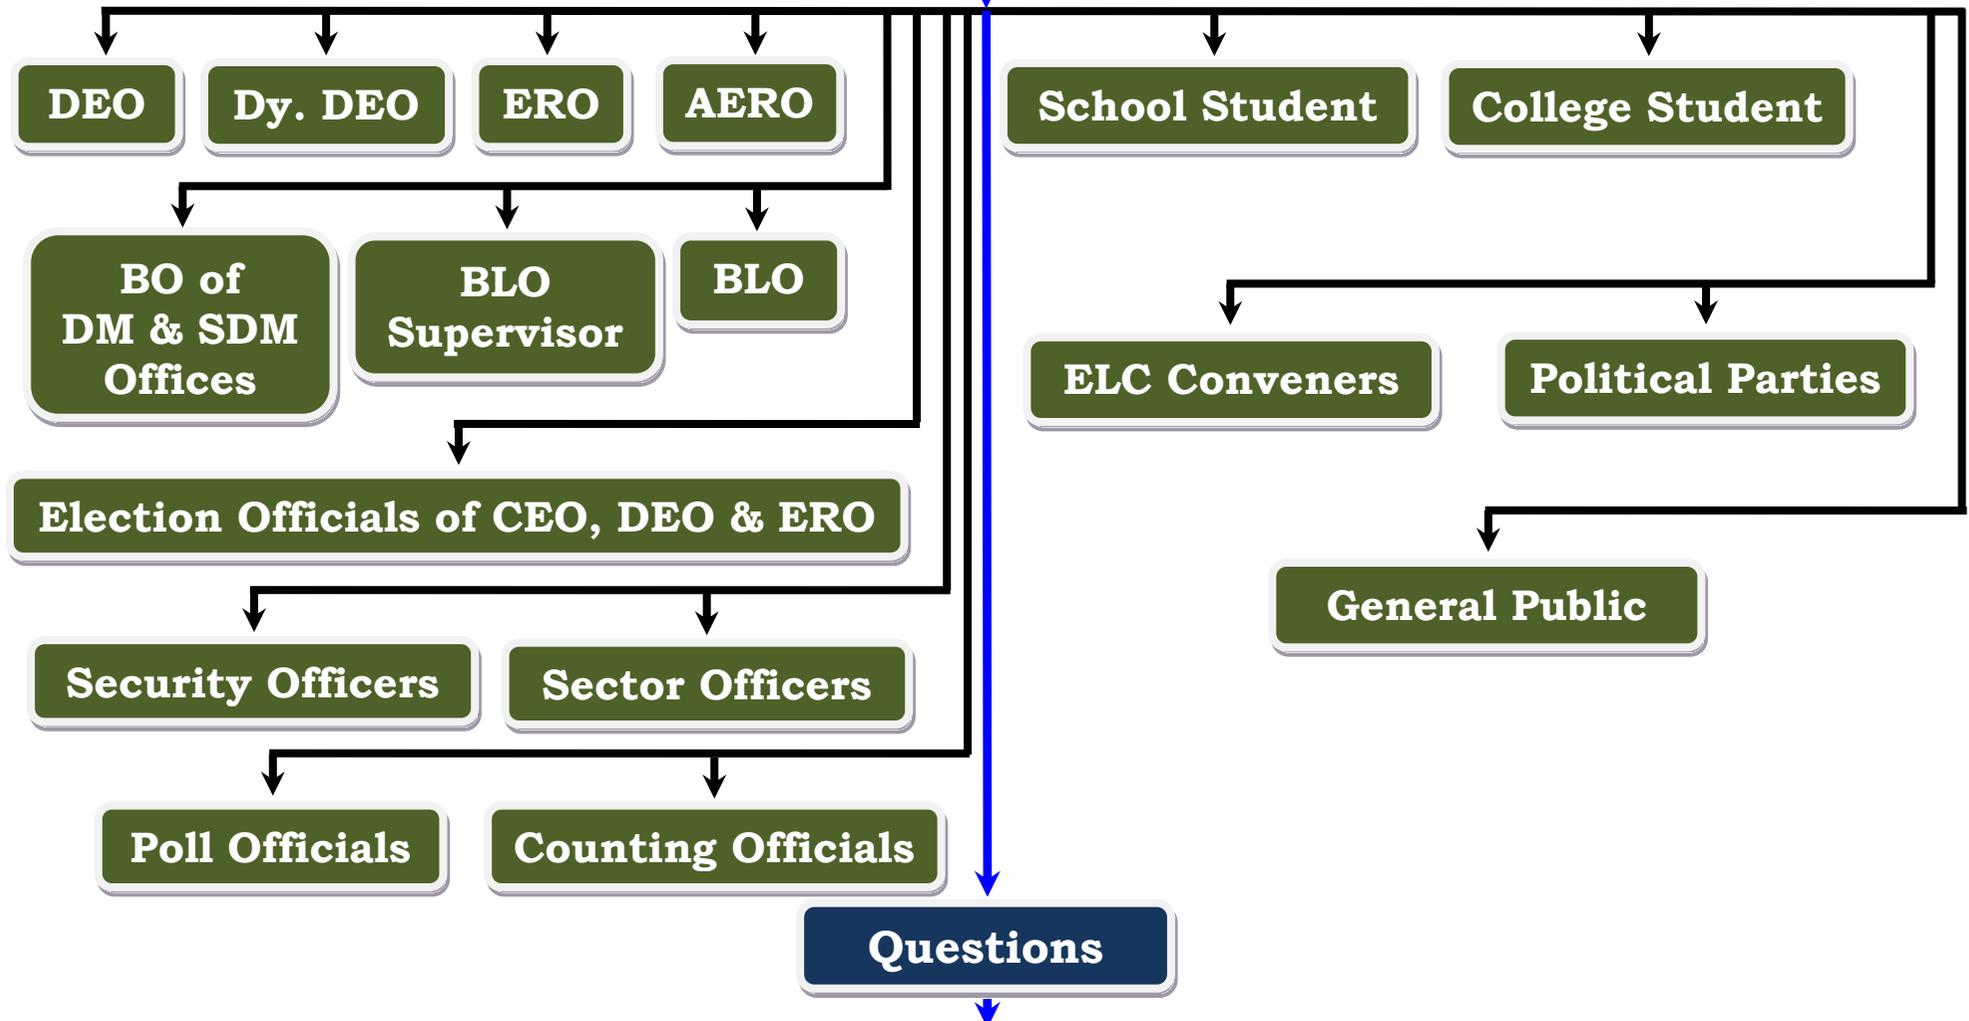

Wide range of subjects on Election such as Electoral Roll, EVM & VVPAT, Conduct of Election & General Knowledge

1) To take the Quiz, the incumbent will have to register first using their mobile number/email ID. Their login ID will be their mobile number/email ID and OTP/login credentials will be provided.

2) A bank of questions including all election processes from preparation of Electoral Roll to declaration of result is being included in the quiz.

3) In this context, a separate topic will be created only after a set of 100 questions are available. For good mix within a subject, the attempt should be to have as many questions as possible.

4) Various options have been provided after login and from there they will be allowed to choose a topic of a single subject or multiple subjects.

5) A person can participate in multiple categories i.e. single subject (s) and/ as mixed bags.

6) In the event they choose multiple subjects, they will get a mixed bag of questions comprising all the subjects.

7) Dy. DEOs, EROs, AEOs/EIs will only get mixed bag of subjects i.e. from the entire bank.

8) Officials of CEO, DEO & ERO offices cannot register as General Public.

9) The questions will be displayed online and after attempting all the questions, they will get the score and an sms/ e-mail as the case may be. They will also get to know the correct answer after replying to each question. Some additional information will also be provided to enhance the knowledge of the participants.

10) When other persons of the same category (Target Group) take the Quiz, a merit list will be prepared based on the marks secured by each participant. An sms/ e-mail will be sent to each of them intimating them about their relative position in the list of successful participants. A minimum of 10 successful participants would be needed for preparing a merit list.

11) Each set shall have 20 questions. A participant getting less than 10 shall

not be considered by the system itself for the merit list. A message on the screen "Try again", will be displayed. However, for election related officials, a minimum of 15 correct questions would be required to figure in the list of successful participants.

12) The participant can attempt any number of times but improved stage if any, will be taken up for consideration only after 15 days to be included in the merit list.

13) Initiatives have been taken to widely publicise through all modes and people have also been urged to participate in the Quiz at regular intervals, through various IEC measures (for common public) and through SVEEP Nodal Officers in State/Districts/ Sub-Divisions for officials.

14) The SVEEP Nodal officer of Sub-Division should check the portal once a fortnight to check the participation among target groups such as BLO Supervisors, BLOs, ELCs, Chunav Pathshalas, School Students, Common public. They will motivate the respective officials to take the quizzes.

15) SVEEP Nodal Officers of Districts shall check the portal at the month end to see the participation among target groups of AEROs, Election officials of DEO and ERO offices, College student and the Common public. They too will motivate the respective officials to take the quizzes.

16) The SVEEP team in CEO office will check the portal at the end of each quarter to see the level of participation of each target group and in particular Dy. DEOs, EROs, ROs and AEROs who play a key note in the conduct of elections.

17) Steps to improve the participation will also be taken at each of the three levels i.e. State, District and Sub-Division.

18) Reports can be generated at Sub-Division/ District and State level. While Sub-divisional officers can see the report of their own sub-division, district can see the reports of the entire district and at the State level, all reports will be visible.

19) The first 2 high scoring participants of each category till 23rd January, 2021 will be considered for awarding on National Voters' Day at Agartala. Similarly at the district and sub-division level, the top 3 participants will be awarded.

20) For common public, the system will have provision to capture their Assembly Constituency apart from mobile number/ email ID for proper identification and sorting by concerned Constituency/Sub-Division/ Districts.

21) The Quiz Competition is proposed to be open in the entire year. The question bank will be further expanded and token prizes are proposed on a periodical basis. Annual prizes are planned to be given at the NVD every year at State, District, Sub-division and AC level.
