CHAPTER - I

INTRODUCTION

1. For a free and fair election, an accurate and error-free electoral roll is the most important pre-requisite. Some of the electoral malpractices like bogus voting and impersonation, in a large part, result from defective electoral rolls. For enhanced participation of electors in the electoral process and reducing the electoral malpractices, it is essential to improve the quality of electoral registration process and of the electoral rolls. Therefore, adequate stress has to be laid on the preparation and revision of the electoral roll.
2. Fidelity of electoral roll being the essential condition for a free and fair poll, it becomes imperative to address the issue effectively.
3. Through this Handbook for BLOs, an attempt has been made to explain the preparation, revision and maintenance of electoral roll. It covers all important points from the point of view of a Booth Level Officer (BLO), but is no substitute for all the relevant provisions of the Representation of the People Act, 1950 and the rules made thereunder and also the directions issued by the Commission from time to time for the preparation and revision of the electoral rolls.

Who is BLO

BLO is a local Government/Semi-Government official, familiar with the local electors and generally a voter in the same polling area who assists in updating the roll using his local knowledge. In fact, BLO is a representative of Election Commission of India at the grass-root level who plays a pivotal role in the process of roll revision and collecting actual field information with regard to the roll corresponding to the polling area assigned to him. Though BLO is not a full time electoral official, but the responsibility of BLO adds an additional dimension to his profile as he is rendering a responsible civic duty. He is just like a friend, philosopher and guide of the local people in matters relating to the roll. Each BLO shall have one/two polling station area under his/her jurisdiction.

Appointment of BLO

Under Section 13B (2) of Representation of People Act, 1950, BLOs are appointed from amongst the officers of the Govt. /Semi Govt. /Local Bodies. Generally, one BLO is responsible for one part of the electoral roll. The DEOs in consultation with the EROs of the Assembly Constituency (AC) appoint the BLOs. Following is a list of categories of the Govt/Semi Govt employees who can be appointed as BLO:-

1. Teachers
2. Anganwadi workers,
3. Patwari/Amin/Lekhpal,
4. Panchayat Secretary,
5. Village Level Workers,
6. Electricity Bill Readers,
7. Postman,

8. Auxiliary Nurses & Mid-wives,
9. Health workers,
10. Mid-day meal workers,
11. Contract teachers,
12. Corporation Tax Collectors, and
13. Clerical Staff in Urban area (UDC/LDC etc.)

2. **BLOs would continue to discharge the responsibilities assigned to them by their parent offices and would remain generally under the control of their administrative department, but they would not be transferred without prior permission of the DEO.**

3. **This will be the responsibility of the BLO that he does not proceed on leave in any circumstance without making over his election related charge.** Even in case of his transfer, he should ensure to hand over all election related papers, records and registers to his successor within the prescribed time. If his successor is not appointed, the BLO would proceed on transfer only after handing over all election related papers, records and registers to his ERO or to an AERO authorized by the ERO.

4. As BLO would be involved in the revision of the roll, they would be considered on deputation to the Election Commission for this purpose and would be subject to the disciplinary control of the Election Commission. For any breach of duty, BLOs shall be liable to punishment under Section 32 of Representation of People Act, 1950 (**ANNEXURE 1.2**).

Duties and responsibilities of BLO

The BLO will make a thorough study of the roll of the part assigned to him. He will make frequent field visits to the villages/Tolas in the said part and interact with local people particularly village elders and grass root level elected representatives and identify the names of the dead/shifted/duplicate voters in the roll, which need to be removed by the ERO under relevant provisions of law. The main functions of BLO are as follows:

- Receiving claims and objections.
- House to house visit and checking of overlapping, migration, transfer/shifting
- Identification of shifted/dead/non-existing electors
- Checking inclusion and exclusion errors
- Checking details of spellings, entries of duplicate names, part header page, photos etc. of electors in the roll

ADMINISTRATIVE MACHINERY OF ELECTORAL SYSTEM

The following chart depicts the hierarchical pyramid of administrative machinery of electoral system in India:-

- **Designated Officers**

In addition to the above statutory appointments, required number of Designated Officers are also appointed by the ERO under Rule 14 of the R.E. Rules, 1960. All these officers are subject to the superintendence, direction and control of the Election Commission. The Designated Officer displays the electoral roll parts and receives claims and objections. He also distributes Form 6, 7, 8, 8A to the electors on demand.

- **Roll Observers**

In addition to the above, the Election Commission may also appoint some senior officers as roll observers. These observers may verify the electoral rolls on a random basis and report directly to the Commission.

All the above officers while functioning in the above capacities shall be deemed to be on deputation to the Election Commission for the period and during that period be subject to the control, superintendence and discipline of the Election Commission. (Section 13CC of Representation of the People Act, 1950 – ANNEXURE 1.2)

CHAPTER IV

GENERAL PRINCIPLES OF VOTER REGISTRATION.

Who can be registered as an elector

According to the provisions of Section 19 of Representation of the People Act, 1950, subject to some restrictions, every person shall be entitled to be registered in the roll of the constituency who :-

- a. is not less than 18 years of age on the qualifying date, and
- b. is ordinarily resident in the said constituency.

Disqualifications for registration in the roll:

1. According to Section 16 of Representation of the People Act, 1950, a person shall be disqualified for registration in an electoral roll if (s)he—
 - a. is not a citizen of India; or
 - b. is of unsound mind and stands so declared by a competent court; or
 - c. is, for the time being, disqualified from voting under the provisions of any law relating to corrupt practices and other offences in connection with elections (Section 11A of Representation of the People Act, 1951 – **Annexure 2**).
2. The name of any person who becomes so disqualified after registration shall forthwith be struck off from the electoral roll in which it is included.
3. No person shall be entitled to be registered in the roll of more than one constituency and no person shall be entitled to be registered more than once in the roll of any constituency as provided in Sections 17 and 18 of Representation of the People Act, 1950,

Meaning of 'ordinarily resident' (Section 20 of the Representation of the People Act, 1950):

- . A person is said to be ordinarily resident in a place if he uses that place for sleeping. He need not be eating in that place and may be eating from a place outside. Temporary periods of absence from this ordinary place of stay can be ignored. It is not necessary that the period of stay should be continuous for any particular length of time and should be without any break. Temporary absence on account of duty or employment or even for pleasure should not be considered to interrupt the concept of ordinary residence.

Exceptions to the general principle of ordinary residence:

1. **Members of Parliament and the State Legislatures** are entitled to be registered in their home constituencies notwithstanding the fact that they are away from their normal place of residence in connection with their activities as legislators (Section 20 (1B) of the Representation of the People Act, 1950 – **Annexure 1.2**).
2. **Inmates** of jails, other legal custody, hospitals, beggar homes, asylums etc. should not be included in the electoral rolls of the constituency in which such institutions are located (Section 20 (2) of the Representation of the People Act, 1950 – **Annexure 1.2**).
3. **Students**, if otherwise eligible, living in a hostel or mess or lodge more or less continuously, going back to their normal home or place of residence only for short periods, can be held to be ordinarily resident in the place where the hostel or mess or lodge is situated. However, if they so wish, they have the option of retaining their name in the roll at their residence with their parents instead.
4. **Service Voters:** Normally, the serving members of the armed forces of the Union or the central para-military forces, i.e. BSF, CRPF, CISF, ITBP, NSG, GREF and Assam Rifles, State Armed Police personnel posted outside state, and the government servants posted outside India are entitled to get registered at their native places which may be different from places of their ordinary residence. The wife of a service voter if she ordinarily resides with her husband is also entitled to get registered in the electoral roll of native place with her husband (Section 20 (3) of the Representation of the People Act, 1950 – **Annexure 1.2**).
5. **Overseas Electors:** A citizen of India who has not acquired citizenship of any other country and who is absenting from his place of ordinary residence in India owing to employment, education or otherwise outside India shall be entitled to have his/her name registered in the roll of the constituency at his/her place of ordinary residence in India as mentioned in his/her passport (Section 20 A of the Representation of the People Act, 1950 – **Annexure 1.3**).
6. **Persons holding declared offices:** Declared office holders such as President and Vice President, Ministers and Ministers of state and Deputy Ministers of the Union, Deputy Chairman and Members of the Planning Commission, Speaker and Deputy Speaker of the Lok Sabha, Deputy Chairman of the Rajya Sabha and Parliamentary Secretaries of the Union, and declared office holders of a state, viz., Governor, Cabinet Ministers, Ministers of State and Deputy Ministers, Chairman and Deputy Chairman of State Legislative Council, Speaker and Deputy Speaker of State Legislative Assembly, Parliamentary Secretaries of state and the Lt.

Governor of UTs can get themselves registered in their home constituency. However, the statement made by the declared office holder is not final and it will be open to the persons who are in possession of evidence to the contrary to object to the inclusion of name of a holder of declared office (Section 20 (4) of the Representation of the People Act, 1950 – **Annexure 1.2**) in his declared home constituency.

- 7 Thus , it would be clear from above that all cases cannot be dealt with in an identical manner nor can any uniform rule be laid down to define ordinary residence. **Generally speaking, a person should not be enrolled at an address where he is staying temporarily; and on the other hand, he is to be enrolled at his normal place of residence even though he may be temporarily absent from there.**

CHAPTER-V

WHAT IS AN ELECTORAL ROLL

1. The statutes provide that for every Assembly Constituency (AC) there shall be an electoral roll. The electoral rolls are maintained AC wise.
2. There is no separate electoral roll for Parliamentary Constituencies (PC). The electoral roll of a PC consists of the electoral rolls for all the ACs comprised within that PC. Jammu and Kashmir and Union Territories (UTs) not having a Legislative Assembly are the exceptions. In J&K the electoral rolls are prepared for PC and AC separately. In case of UTs too, that do not have Legislative Assembly, the rolls are maintained PC wise.
3. For J&K, the rolls for ACs are prepared in accordance with Jammu & Kashmir Representation of the People Act, 1957 and the rules made there under. Only state-subjects as defined under the Constitution of Jammu and Kashmir are entitled to be included therein.
4. In accordance with sub-rule (1) of Rule 5 of Registration of Electors Rules, 1960, the electoral rolls are further organized into geographically defined 'parts' and each 'part' is further required to be organized into geographically identifiable 'sections'. Each 'part' has an identified polling station (precinct) which is where the arrangements are made for the electors of that 'part' to cast their votes on the poll day.
5. The electoral rolls are prepared or revised with reference to a qualifying date which is the first day of January of the year in which the rolls are so prepared or revised.
6. If the electoral roll is not revised as above in any year for any reason whatsoever, the continued operation of the electoral roll shall not be affected.
7. Further, the Election Commission may at any time, for reasons to be recorded, direct a special revision of the electoral roll for any constituency or part of a constituency in such manner as it may think fit.

Lay-out and structure of electoral roll

1. The roll of every AC shall have a title page showing the year of preparation/revision, the number, name, reservation status, extent of the constituency and the number of parts into which roll is divided, followed immediately by a table of contents indicating in serial order and the area covered by each part of the roll. A sample title page of AC roll is at

Annexure 3.1. The title page shall be followed by a constituency map. At the end of the roll shall be the Summary Sheet (**Annexure 3.2**)

2. Each part of the roll also has an individual title page providing information about that part of the roll. Sample of this title page of a 'part' of the roll is at (**Annexure 3.3**). This title page is followed by a sketch map of the polling station area covered by the part. *The sketch map depicts the settlements (habitation area), sections, streets, important buildings like polling stations, post office, health centers etc.* Thereafter the elector details in prescribed format shall be provided. At the end of roll of a part, there shall be a Summary Sheet (**Annexure 3.4**).
3. These parts shall further be organized into geographically identifiable 'sections'.
Under these 'sections', household-wise elector's details shall be entered. *In the normal course, a building should not be scattered into different sections. A new section should start with a new page.*
4. The electors' details are arranged in 8-column format in a 'text roll' and photograph of the elector is provided additionally. A sample of electors' details of photo roll is at **Annexure 3.5** and of text roll is at **Annexure 3.6**.
5. Normally, a part should not have more than 1200 electors in urban area and 1000 electors in rural area.
6. The last part of the roll will have the list of Service Voters.

Language of electoral roll

Language of the electoral roll shall be as directed by the ECI under Rule 4 of R E Rules. According to the extant policy, the electoral roll of an AC, is normally prepared in the official language of the State, but where more than 20% of the electors speak and use a different language than the official language and the number of people literate in that minority language and script is significantly large, the roll shall be printed and published in the majority as well as in that minority language. Besides, the language of the roll in metros may be English also. The last part meant for Service voters is also printed in English.

Polling Stations

1. Each part of the roll shall cover a well defined and compact geographical area. For each such area there shall be a polling station (precinct) where the electors of that part vote at the time of voting.
2. The number and name (and address) of the polling station shall be indicated on the title page of the part concerned (of the roll). The part number of the roll and the number of polling station shall invariably be same.
- 3 The Commission has envisaged that the polling station should not normally be at a distance of more than 2 KMs for voters
4. Generally, a polling station should not have more than 1200 electors in urban area and 1000 electors in rural area.

CHAPTER-VI

REVISION OF ROLL

Types of Revision

1. There are four kinds of revision, namely, (i) intensive, (ii) summary, (iii) partly intensive and partly summary, (iv) special.
2. In an **intensive revision** the entire roll is prepared de-novo without reference to the earlier existing roll. In any year when an intensive revision is ordered, there will not be any summary revision. In the first visit BLOs assign new number to each house if not already assigned. In their second visit they note down the particulars of the eligible members of the house in an Electoral Card. A copy of the Electoral Card is handed over to the head of the household or, in his absence, to any adult member of the family. Utmost care should be taken in enrolment of under aged persons, orphans and students staying in hostels / lodges. On the basis of such enumeration, draft rolls are prepared and published, inviting claims and objections. After disposal of such claims and objections, the rolls are finally published.
3. **Summary Revision** of the electoral rolls for all ACs are normally undertaken every year except when intensive revision is ordered in any year. In a summary revision, there is no house-to-house enumeration. The existing roll is published in draft inviting claims and objections. After disposing of these claims and objections, the roll is finally published.
4. In a **partly intensive and partly summary revision**, existing rolls are published in draft. Simultaneously, BLOs are sent to the households for verification. After disposing of claims and objections, lists of additions, deletions and corrections are prepared which together with main roll form the Electoral Roll.
5. Where, by reason of any inaccuracies in the rolls, such as failure to cover any place or localities or blocks or any section of voters or for any other reasons, the Commission may order **special revision** of the roll of any constituency or part thereof. It may be intensive, summary or partly intensive and partly summary revision.
6. Besides, there is a provision of **continuous updation** of roll in the period when no revision of rolls is underway. The qualifying date of the last finally published roll is applicable during such continuous updation.

Preparation Of Electoral Roll

Publication of draft electoral roll:

Under Rule 10 of the Registration of Electors Rule, 1960, as soon as the roll for a constituency is ready, the ERO shall publish it in draft by making copy thereof available for inspection and displaying a notice in Form 5:

- (a) At his office, if it is within the constituency;
- (b) At such place in the constituency as may be specified by him for the purpose, if his office is out side the constituency;

7. Additionally, at CEO's website (and DEO's website, where applicable), the roll shall be put in public domain, in a PDF format on the same day when the roll is published.. The draft roll on the web shall be put in a text mode and no photographs would appear against the elector's details in this roll on public domain. Instead, it would indicate elector wise whether photograph is available or not.

8. From the web-site, it can be verified every claim (Form 6) that is received, as to whether it is already a registered voter elsewhere in the same constituency or the district. The website shall further facilitate an elector to check whether he/she has been registered as an elector or not and what are the details registered against his/her entry in the roll.

9. The publication of roll must be of all parts of the roll of an AC and must include the last part of the roll containing 'Service Voters' list also. The 'last part' of the roll is not published at any polling station but is kept in ERO's office or such other place as has been specified by him for display of the roll after publication.

10. The draft rolls shall be published in the polling station itself for the reason that the general electors may easily identify these places as the places at which they can have inspection of electoral roll and file their claims and objections.

11. The publication is not made on a public holiday.

12. In those cases where the rolls are prepared in more than one language, copies of the roll in all the languages are published.

Claims and Objections during revision process

1. As already mentioned, the ERO shall have to notify the roll revision programme in Form 5 under Registration of Electors Rule, 1960. In this notice, all the stages of revision process shall be mentioned including the period for receiving applications for inclusion, exclusion, corrections and transpositions of names in the rolls. Statutorily, under Rule 12 of Registration of Electors Rule, 1960, a minimum of 15 days and maximum of 30 days has to be provided for the purpose. The Commission has power under the proviso to Rule 12 of Registration of Electors Rule, 1960 to extend the period in respect of the constituency as a whole or in respect of any part thereof by a notification in the Official Gazette.

2. After the draft publication of the roll is made, preferring claims and objections are the methods by which names can be included or deleted in the roll and elector particulars can be corrected. These claims / objections and corrections can be filed anytime except that,

(i) After last date for receiving nominations till the elections are over, no change in the electoral roll can be effected;

(ii) When the stages of a revision programme are fixed by the Election Commission in advance, a period is specified for receiving these claims and objections. During this process, claims and objections can be preferred only during this specified time period.

3. During the revision process, the claims in Form 6, objections in Form 7, applications for corrections in Form 8 and transposition of entry in Form 8A are inquired into by the ERO under Rule 20 of Registration of Electors Rule, 1960. Under Rule 21 of Registration of Electors Rule, 1960, ERO can, suo-motu, include names inadvertently omitted in the published draft (from manuscript or accepted cases etc) and under Rule 21A ERO can suo-motu delete the names inadvertently or erroneously entered in the draft roll.

Forms for claims, objections and corrections:

1. Every claim shall be in Form 6 & 6A (**Annexure 4.1 & 4.2**) signed by the person desiring to be enrolled as a voter in the roll in which the claimant desires his name to be included. In the context of photo-rolls, all **persons** desirous of getting enrolled with photograph, must submit their photographs (in duplicate) along with Form 6/6A (for inclusion) itself.

2. **Persons shifting their place of residence within the same constituency should be guided to file application for transposition of entry in Form 8A and not in Form 6 as is the normal practice.**

3. Every objection to a name included in the draft roll shall be preferred in Form 7 (**Annexure 4.3**) only by a person whose name is already included in that roll in which the name objected to appears.

4. Every application for correction to a particular or particulars in an entry in the draft roll shall be in Form 8 (**Annexure 4.4**) and preferred only by the person to whom that entry relates. Correction to any entry includes inclusion, deletion or replacement of photograph in the photo electoral roll and correct photograph should be attached with Form 8 for the purpose. All electors desirous of getting their photographs corrected, replaced or added should submit their photograph (in duplicate) along with Form 8 (for corrections).

5. In case a person desires the transfer of his name or any other person's name from one part to another part of the electoral roll of the same constituency, he should file an application in Form 8A (**Annexure 4.5**).

6. Blank copies of the 'Form for Declaration' to be submitted along with Form 6 by Service Personnel (**Annexure 4.11**) for inclusion of name as general elector in the place of residence where he is posted, shall also be kept at designated locations in cantonment areas.

Receipt of claims and objections:

1. During the period after draft publication, the claims and objections should reach the officers authorized to receive them within the prescribed period. No claim or objection received after last date for filing such claims and objections should be accepted. After specified revision period is over, the forms can be accepted at anytime during continuous updation with reference to the last finally published roll.

2. During a Summary Revision or a Special Summary Revision, applications in bulk shall not be received and entertained.

3. BLOs should only accept individual applications. However, if individual applications relating to the members of the same household, i.e., same family, are presented together, they may be accepted. Claims and objections presented in bulk by any individual/organization or political party should be refused/rejected. The same principle will be applicable to claims and objections sent by post.

4. Forms received by the BLOs shall be displayed (in Form 9, 10, 11, and 11A) at the Designated Officer's office for the area.

Preliminary checking of Forms at their presentation

1. An acknowledgement/receipt should be given for each application of claim or objection received. However, before giving an acknowledgement, preliminary checking of every Form must be done and the following ascertained:
 - (i) The Form is not submitted as part of a bulk or in bulk;
 - (ii) No unsigned form should be received. It must be signed by or thumb impression obtained from the applicant and no other person. Form 6, 7, 8 and 8A make it clear that claims and objections must bear the signature or thumb impression of the claimant or the objector at the appropriate places. Where the claimant is literate, he should sign his name and not merely append some mark or symbol of his name written by the scribe, and where the claimant is illiterate, he should put his thumb impression and not any other mark in the form. This being the prescribed manner, under Rule 17 of R.E. Rules, 1960. The BLOs, should refuse to receive any claim or objection not duly signed by the person preferring it or not containing his thumb impression.
 - (iii) No column or the information called for in the Forms shall be left blank. Where the information being asked for is not known, the words "not known" should be written;
 - (iv) No incomplete application (in which previous address is not given) should be received

List of supporting documents as proofs of Date of Birth and Residence

1. Date of Birth

The BLO shall prepare such lists for the Forms received by him/her and display it at his/her office. Maintenance of such lists is mandatory under provisions of Rule 15 of RER 1960. The BLO shall send the lists to the ERO.

Preparation of Supplements:

1. During the revision period after draft publication supplement is prepared for those electors whose names have been added or deleted from the roll or transposed from one part to the other part of the same Assembly Constituency and whose entries have been modified/corrected is prepared during revision period after draft publication of the electoral roll. At the time of final publication the supplement is appended to the mother roll which was published as draft. The serial number of electors entered in the addition list of the electors whose names have been newly added to the roll starts after the last serial number of the mother roll and it is prepared section-wise. Deletion or modification list is not prepared section-wise and the electors in these lists bear the same serial number as they have in the mother roll.
2. In the deletion list of the supplement symbols denoting the reasons of deletion are prefixed before the serial numbers. These symbols with their explanation are printed as foot note on every page of the deletion list. On the corresponding box in the mother roll of deleted electors the word "DELETED" is superimposed through software. This does not change the serial number and the number of electors printed on the part header also remains unchanged.
3. There may be one or more supplements attached to the mother electoral roll due to revision or continuous updation. In such instance a page as summary of electors is attached after the mother roll and the supplements. This summary page contains the number of electors added through the

addition list, deleted through the deletion list and the sum total of the electors in the entire roll after additions and deletions before the names of every elector whose details have been modified, a sign of hash (#) is printed through the software.

Continuous updation:

1. The process of continuous updation of electoral roll is effective from final publication to next draft publication of electoral roll.
2. During elections, from the last day of nomination to the end of election process, the process of continuous updation is inoperative. Even though the application for addition, deletion or correction can be given after the beginning of election process, no action will be taken upon these applications, till after the election is over.
3. The electoral registration system is essentially in the nature of a continuous updation, even though general public do not get benefit of this process due to lack of awareness. Therefore **Booth Level Officer should publicise the provisions of addition, deletion, correction or transposition of entries in the roll through continuous updation.**
4. Registers should be maintained for applications received for addition, deletion and correction in finally published roll during continuous updation (RP Act, 1950/RER, 1960).
5. The supplement of continuous updation shall be printed as part of the draft roll below the last supplement for that particular year for publication as draft roll. These can be incorporated during revision of electoral roll as final supplement of draft electoral roll entering the supplementary process and the date thereon. The supplementary list prepared in the process of continuous updation for addition, deletion, correction or transposition is published during election. There is no provision of publication of such addition/deletion lists resulting from continuous updation at fixed intervals.
6. After any application for registration is allowed, its entry will be done just after the last serial number of finally published roll/ supplementary roll.
7. Entries of addition, deletion and correction should be entered under concerned headings of the supplement.
8. By 7th of the following month, one copy of the manuscript will be transferred to the DEO/ERO/AERO for data entry in the ERMS/computerized working copy of the electoral roll.

CHAPTER-VII

ENROLMENT OF OVERSEAS ELECTORS

1. Under Section-20A of the Representation of the People Act, 1950, inserted vide Representation of the People (Amendment) Act, 2010, which has come into force w.e.f. 10th February, 2011, every overseas elector, i.e., an Indian citizen who is absenting from his place of ordinary residence in India owing to employment, education or otherwise, and has not acquired citizenship of any other country and who is not included in the electoral roll, is entitled to have his/her name registered in the electoral roll of the constituency in which his/her place of residence in India as mentioned in his/her passport is located.
2. In terms of rule 8A of the Registration of Electors Rules, 1960, every overseas elector whose place of residence in India is located in the States/Union Territories of India, who has completed 18 years of age as on 01-01-2011, and is desirous of registering his/her name in the electoral roll, can submit claim application in Form-6A (**ANNEXURE 4.2**) for registration in the electoral roll of the constituency in which his/her place of residence as shown in the passport is located. The claim application in Form-6A can either be submitted in person directly to the registration officer of the constituency concerned or sent to such registration officer by post alongwith the documents mentioned in Form-6A and the guidelines. If the application is submitted in person before the Electoral Registration Officer, the original passport should be produced for verification. When the claim application is sent by post, it should be accompanied by self attested photocopies of the relevant pages of the passport.
3. Verification of self-attested documents which accompany applications in Form 6A received by post shall be done by BLOs. For this purpose, BLOs will visit the home address mentioned in the passport. They will ask relatives of the applicant, if any, to verify the self-attested copies of documents and give a declaration to this effect. In those cases, where no relatives are available or relatives are not willing to give the declaration for verification of documents or the ERO is not satisfied with verification of documents by relatives, documents will be sent for verification to the concerned Indian Mission in the foreign country where the applicant resides.
4. Identification of overseas electors at the time of casting of votes at polling station shall be done only on the basis of their original Passports. For this purpose, they will be required to bring their original Passport to the polling station.

CHAPTER VIII
ENROLMENT OF SERVICE VOTERS

- 1 Service voter is a voter having service qualification. According to the provisions of sub-section (8) of Section 20 of Representation of the People Act 1950, service qualification means —
 - (a) Being a member of the armed Forces of the Union; or
 - (b) Being a member of a force to which provisions of the Army Act, 1950 (46 of 1950), have been made applicable whether with or without modification;
 - (c) Being a member of an Armed Police Force of a State, and serving outside that state; or
 - (d) Being a person who is employed under the Government of India, in a post outside India.
- 2 Persons having a service qualification can get enrolled as 'service voters' at their native places even though they actually may be residing at a different place (of posting). **They have, however, an option to get themselves enrolled as general elector at the place of their posting where they factually, at the point of time, are residing ordinarily with their family with a sufficient span of time.**
- 3 The wife of a service voter shall, if she is ordinarily residing with him, be also deemed to be a service voter in the constituency specified by that person provided in case of Armed Force voter, a declaration in Form 2 (**ANNEXURE 5.1**) or 2A (**ANNEXURE 5.2**) that his wife ordinarily resides with him has to be made. This facility is available only to the wife of a male service voter and is not available to the husband of a female service voter.
- 4 A person having service qualifications should not to be enumerated as general electors **during intensive revision** for inclusion in the preliminary (draft) roll alongside their other eligible family members, even if such person is member of the household and incidentally happens to be present in the house at the time of enumeration
- 5 Similarly, wife of a service voter, if she is ordinarily residing with her husband at the place of his posting, should also not be enumerated as general elector even if she is present in the house at the time of enumeration during intensive revision.
- 6 However, if a person having service qualification is ordinarily residing with family for a sufficient span of time at one's place of posting, then the person can be enumerated as a general voter during enumeration (in case of intensive revision) and through a voluntary request made in Form 6 (in case of summary revision). In such cases, a declaration should be obtained from the service voter and the spouse in the prescribed format (**Annexure 4.11**).

- 7 Only those serving members who are not already enrolled in the last part of electoral roll of a constituency of their native place and who have remained in the place of their present posting for sufficient span of time with their families are eligible to be enrolled as general electors in the general part of the electoral roll.

CHAPTER IX

ELECTORS PHOTO IDENTITY CARD (EPIC)

1. Electoral Photo Identity Card (EPIC) is an identity document issued by the Electoral Registration Officer under Rule 28 of R. E. Rules. The EPIC contains details of the elector like Name, Father's/Mother's/Husband's Name, Date of Birth/Age on the qualifying date, Sex, Address and most importantly, the photograph of the elector. The format of EPIC can be seen at **Annexure 6**.
2. EPIC is a permanent document for an elector. It is to be used by the elector to establish one's identity at the time of polls. It is compulsory for an elector who has been issued an EPIC to produce the EPIC at the time of polling to enable voting.

Format of EPIC

3. The size of EPIC has been fixed by Election Commission and should be 5.0cm horizontal x 8.4cm vertical. The photograph should be of size 2.4cmx1.8cm and of resolution 320x240 pixel with 75% area covered by the full frontal scape of the face of the elector in a light background. The Name, Father's/Mother's/Husband's Name, Sex and Date of Birth/ Age on the qualifying date on the EPIC should be derived from the elector detail database. In the electoral roll, the date of birth does not appear, instead, only the age appears. But this age is derived from the date of birth that the elector has provided in Form 6, if known to the elector. Thus the date of birth should be captured from the Form 6 for EPIC purposes. If the date is not available or not mentioned in the Form 6 and only age is mentioned, then the year of birth should be calculated from that age and only 'year of birth' should be mentioned in the EPIC in the column 'date of birth'.

4. The EPIC has the photograph of the elector printed on it and a security hologram pasted half on the photograph and half on the vacant space on the left of the photograph. The reverse side of the EPIC has the address of the elector and the facsimile signature of the ERO issuing the EPIC.

5. As per the Commission's guidelines, the paper used for printing EPIC should not be less than 165 GSM. Where EPIC is produced by single side printing on paper and folding, the paper used should not be less than 80 GSM. The polyester film used for laminating the EPIC should be at least 125 micron thick.

How EPIC is prepared and issued

6. For the purpose of preparation of EPIC, the ERO (or the DEO or the CEO) would have identified vendors and provided them space to prepare EPICs. One of the most important things required for preparation and issue of EPIC is

the photograph of the elector. For getting the electors photographed, there are Designated Photography Locations (DPLs) or VRECs in each AC/District.

7. The reverse side of EPIC has the address of the elector as provided by him after due verification. This is followed by a facsimile signature and designation of the ERO issuing the ERO. The facsimile stamp of the ERO is a critical instrument that is kept in custody of the ERO.

8. The EPIC so prepared is laminated and handed over to the elector. It has to be ensured that the EPIC is handed over to the same elector whose EPIC it is and proper acknowledgment of the receipt of EPIC should be taken. Under no circumstances should any intermediary be handed over the EPIC for further distribution of the EPIC.

Procedure to be adopted while issuing EPIC

1. An EPIC, once issued, is valid across the country and the elector need not be issued another EPIC even if, he shifts from the Constituency where EPIC was originally issued. The purpose of EPIC is to identify the elector with his name in the Electoral Roll. EPIC once issued no matter in which Assembly Constituency it was issued, can meet this purpose.

2. Different checks are required to be conducted depending on the situation under which the EPIC is being issued. For an elector who is being issued an EPIC for the first time, the issue of EPIC would normally be with his enrollment in the electoral roll. After his name has been added in the electoral roll, the EPIC can be issued after physical verification of his photograph and his address. The fact that the applicant is a first time elector should be verified from the declaration that he has given in Part IV of the Form 6.

3. For cases where an elector has been enrolled from before and claims that he has not been issued any EPIC in the past, a declaration to this effect should be taken from him. Before issuing him an EPIC, it should be verified from the database of his Constituency of the previous place of residence, as declared in the Part IV of the Form 6, that no EPIC has been issued to him in past. In case, it is observed that the elector has given a non traceable address of previous residence, EPIC should not be issued and the elector should be advised to provide full and correct address of previous residence. If the antecedents of the elector in the database of deleted electors of the constituency of previous place of residence of the applicant cannot be found, further enquiry should be conducted before issuing the EPIC.

4. In cases where an elector has been issued an EPIC in a Constituency and has applied for new EPIC since he has shifted to a new place of residence in another Constituency, the EPIC details of the elector, including the photograph, should first be obtained from the database of the Constituency of his previous

place of residence. The elector should be asked to surrender his original EPIC. In case, it is observed that the elector has given a non traceable address of previous residence, EPIC should not be issued and the elector should be advised to provide full and correct address of previous residence. After obtaining these details and proper verification of his current residential address, and also the original EPIC issued to him EPIC should be issued to the elector using the same EPIC number under which the previous EPIC was issued on payment of fee of Rs 25/- . In the new EPIC, the word “DUPLICATE” should not be printed on the EPIC.

5. In cases where EPIC has been issued to an elector and the elector has requested for corrections in the details mentioned, this request of the elector should be made in Form 8 for carrying out the requested changes. Under these circumstances, the EPIC, with the requested modifications should be issued after acceptance of Form 8 under the same EPIC number in which the previous EPIC was issued. In the new EPIC, the word “DUPLICATE” should not be printed on the EPIC.

6. If the elector claims that the EPIC issued earlier is lost, a declaration to this effect should be obtained from him. The EPIC should be issued to him with the same details with which the previous EPIC was issued, including the EPIC number. In the new EPIC, the word “DUPLICATE” should be printed on the EPIC.

7. The Commission has prescribed a nominal fee of Rs. 25.00 to be levied so that there is some deterrence for repeated request for issue of EPIC. This fee is not charged:-

- a. for issue of first EPIC
- b. In Case an error that can be attributed to the electoral machinery.
- c. when the EPIC is lost with loss of property during natural calamities like flood, cyclone earthquake etc.

8. Since the first issue of EPIC is free and EPIC, once issued, is valid for lifetime anywhere in the country, there is no situation where an elector would be compelled to pay this fee for the purpose of establishing identity during election. In cases where the elector is issued an EPIC due to change of address or other particulars on his request or after rectifying details that had appeared incorrectly, the old EPIC of the elector must be taken from him. **Under no circumstances should an elector possess two EPICs.**

Important points relevant to EPIC

27. All efforts have to be made to ensure universality, uniqueness and permanence of EPIC details of an elector. The link between the details of electors and their EPIC details are provided by the EPIC Number. EPIC Number is designed to act as the permanent unique identity for every elector and thus it is very crucial that, once created, this information is not lost. Even in cases where

door to door verification drives are taken that lead to larger scale, changes in the Electoral roll, the EPIC number of every individual should be captured like every other detail.

28. EPIC is only an identity document and mere holding of an EPIC does not give any individual right to vote. This right is available only to those whose names are found in electoral roll. EPIC only establishes the identity of those whose names are there in the Electoral Roll to ensure that their right to vote is smoothly exercised.

CHAPTER-X

CHAPTER XI

BOOTH LEVEL AGENT (BLA)

1. In order to enhance the participation by the recognized political parties in roll revision the Commission has devised concept of Booth Level Agent (BLA) on the pattern of appointment of polling agents /counting agents during polling/counting to assist the BLO.] Generally one BLA is appointed for each part of electoral roll He is a registered elector in the relevant part of roll of the area where he resides.
2. Once a BLA is appointed by a political party for revision of roll for a particular year, his/her appointment as BLA will be valid for the later years also until and unless the nomination / authorization of such BLA is expressly withdrawn by the said party or such BLA has ceased to be a registered elector of the constituency for which he / she has been appointed.
3. No person in the service of the Government / Local authority / PSU can act as BLA.
4. The BLA will handover the appointment letter in prescribed Form (Form ID-BLA-2) to the BLO at the polling station after draft publication of the roll.
5. On the strength of the appointment letter, the BLO will hand over a printed copy of the relevant part of the roll to BLA under proper acknowledgement.
6. The printed copy of part of the roll to be supplied to the BLA is the copy of the roll required to be supplied free of cost to the recognized political party under rule 11 of Registration of Electors Rules, 1960.
7. In case no BLA has been appointed by a political party than the copy of draft roll for that part will not be handed over to any other person by BLO.
8. The BLAs will not receive claims and objection from public. They will only guide the public to file appropriate applications for inclusion, deletion, correction and transposition of entries in the roll.
9. The BLAs are required to be present on the special campaign dates for receipt of claims and objections and will work through the draft roll with BLO and identify the corrections etc. They can list out the dead/shifted /duplicate voters through house to house survey and present the list to the BLO.
10. The BLOs are expected to interact regularly with BLAs.

CHAPTER XII

NATIONAL VOTERS DAY

1. As a measure to enhance participation of citizens in the democratic electoral process, the Commission has decided to celebrate 25th January, its Foundation Day, as the National Voters Day every year, starting from 25th January 2011. The Commission's objective is to increase enrolment of voters, by using this occasion so as to make universal adult franchise a complete reality and thereby enhance the quality of Indian democracy. The day is utilized to spread awareness among voters regarding effective participation in the electoral process.

2. On this occasion the newly registered voters in each polling booth in the latest revision are felicitated on 25th January every year in a brief ceremony. This is expected to inculcate in the new voters a commitment to democratic electoral process and should lead to greater participation. This also serves as a reminder to all other eligible electors in the polling booth area towards their responsibility to participate in the electoral process.

3. The Election Commission organizes a suitable event in the country's capital to highlight the values of electoral democracy and the issues relating to popular participation in elections.

4. In the States, DEOs under the overall supervision of the CEO ensure organization of following activities on the National Voters Day in the districts:-

The DEOs arrange for the venue and logistics required for the brief ceremony/ public function, in each polling station area.

(ii) The AEROs and EROs of the constituency participate in the ceremony/ public function of those Part(s) under their jurisdiction where largest number of newly registered electors are felicitated.

(iii) The DEO organizes appropriate events at the District headquarters, in association with Panchayat organizations, academic institutions, civil society groups, media etc. to popularize electoral participation and advance voters' education.  - (ii) First time inclusions on grounds of attaining age (18 years) must indicate details of the members of the family already included in the current rolls in the space provided in Form 6. Family means immediate family, viz. father, mother, husband or siblings.
 - (iii) The date of birth and the age in years and months must be indicated. Where the applicant does not know the date of birth, he/she must at least indicate the approximate age in years as on the qualifying date;
 - (iv) For applicants in the age group 18-25 years, the name and relationship should be checked with respect to the applicant's family members already enrolled with the same address. Particular care should be taken that underage applicants do not get enrolled. They may be asked to attach any documentary proof of age like school/college certificate, birth certificate etc. wherever possible. Claimant is not in possession of any documentary proof of age, the BLO should guide the claimant to attach a declaration in a prescribed format **(Annexure 4.10)** by either of the parents, already included in the electoral roll, in support of the age of their ward.

In case the applicant has only indicated the name(s) of immediate family members but has not given other electoral roll details like part no., serial no. and EPIC No. of such family member(s), then the applicant should be advised to fill up these details from the copy of the draft roll made available at each designated location;
 - (ix) The applicant must fill in part IV of Form-6 full details of previous enrollment. However, failure to furnish the voter serial number, part number and the constituency details, if not known, would not be a ground for non-acceptance of applications, if the previous address has been fully given. However, the previous address must be fully provided failing which the application shall not be received. In case the person has been living at a place for long and has not shifted residence at all but still doesn't have elector details, the person should be advised to fill in the complete present address in the space provided for previous address.

The responsibility for getting the names of ineligible persons entered in the electoral roll can be placed squarely on the head of the family, whose signature is taken on the record of enumeration card during house-to-house enumeration. A person who makes false declaration shall be punishable with imprisonment for a term which may extend to one year, or with fine or with both. If, during the preparation of rolls, one comes across cases where ineligible persons have been entered in the manuscript on the basis of information furnished by the head of family. Form 7 should not be received if the complete details of the objector as well as the person objected to and the reasons for the objections are not filled up in appropriate columns. Form 7 requires the objector to give full particulars of the entry in the roll relating to him. This requirement should be borne in mind and whenever it is not satisfied, the objection may be refused to be received under Rule 17.

(6). All applications in Form 8 for correction must indicate in part IV the exact details of entries to be corrected. If the details are not indicated then the Form can be refused to be received. The members of the village community, especially the elders, the ward members and those who contested last Gram Sabha elections but could not get elected should be invited to such meetings. Similarly, in urban areas BLO may liaise with RWAs for registration. The roll can be read out in specially convened ward meetings of municipal boards, Town area committees, Cantonment boards, Mohalla Sudhar Samiti, J.J. All such officers who are authorized for verification of evaluation would inform the BLO of their program for verification in advance so that the BLO is available at the site during verification
- (iii) For evaluation and monitoring of the work done by the BLO, would be done by the verifying officer in a checklist (**Annexure 8.2**).

PRINCIPAL SECRETARY**

Fax-23356027

No 23/BLO/2006-PS-II

Date: 09.08.06

To

The Chief Electoral Officers of All
States & Union Territories,

Sub.- Appointment of Booth Level Officers for ensuring fidelity of electoral rolls.

Sir,

I am directed to say that the Commission has decided on the basis of recent experience in West Bengal General Election to introduce the concept of appointing Booth Level Officers (BLOs) who can act as an instrument for collecting actual field information with regard to electoral rolls corresponding to a polling station assigned to them. Presently, when the electoral rolls are under revision intensive/summary, designated officers are appointed for being stationed at the designated locations during the period allowed for filing claims and objections after draft publication. They are required to keep the electoral rolls for display and are expected to keep sufficient numbers of Form 6, 7, 8 & 8A and are responsible for supplying of those Forms to persons on demand and for receiving back filled up Forms and preparation of lists of Forms received at the designated location in Forms 9, 10, 11, and 11A. However, the experience shows that this system alone has not adequately taken care of the requirement of ensuring the fidelity of rolls by effectively removing the names of the dead voters and shifted voters and inclusion of eligible voters. It is observed that whereas an intensive revision is by and large effective, the summary revision are not that effective in removal of names of dead & shifted electors due to the apathy and lack of participation on the part of stake holders. Fidelity of electoral roll being the essential pre-requisite for a free and fair poll, it becomes imperative to address the issue effectively. Under these circumstances, the Commission has decided to introduce the concept of appointing BLOs who would be accountable for ensuring the fidelity of electoral roll.

2. The Commission directs that the BLOs will be appointed from amongst the officers of the State Govt./Local Bodies. Efforts should be made to ensure that one BLO is made responsible for one part of the electoral roll. However, in case of inadequacy of manpower, one BLO can be made to remain in charge of at the most two Parts of electoral roll.

3. The DEOs in consultation with the EROs of the Assembly Constituency will appoint the BLOs. In rural areas, the BLOs can be drafted mainly from the field

staff of Revenue Department/Block Development Officers' establishment/various other Govt. Departments. In urban areas, the staff can be drawn from various Govt. Departments as well as the staff of Municipal Corporation/Municipality/Town Panchayat and so on. However, efforts should be made to minimize the use of teachers for this purpose as far as possible in order not to disturb the education system. If the use of teachers become inevitable, care should be taken to ensure that teacher of a 'Single-teacher School' is not deployed for this purpose.

DUTIES & RESPONSIBILITIES OF THE BLOs:

4. The BLOs will function as a custodian of the electoral roll of the Part (a polling booth) assigned to them. They will make a thorough study of the roll, section-wise, make frequent field visits to different villages/Tolas and interact with local people particularly village elders, grass root level elected representatives and so on and identify the names of the dead voters still remaining in the rolls, which needs to be removed by the ERO under relevant provisions of law. Similarly, the BLOs should identify the names of the voters who have since shifted out and resultantly not an ordinarily resident now in the relevant village. However, with regard to identifying of the shifted voters, the BLOs should take sufficient precaution to ensure that the information gathered is authentic one. It is to be kept in mind that no name shall be removed from the electoral rolls on account of not being ordinary resident without following due procedure

5. Having done this enquiry, the BLOs should submit a report to the ERO/AERO so that notices can be issued for deletion of names of non-existing/non-residing voters. Apart from this, during the revision period, the BLOs should hold a field enquiry into the Form No. 6,7,8 and 8A received by the designated officers and assigned to the BLOs for enquiry by the EROs either during the revision process or during the continuous updating process and submit their reports in time.

6. Apart from helping the EROs in the process of removing the dead voters' names and thereby contributing to the improvement of fidelity of the electoral roll, the BLOs will also play a crucial role in maximizing the EPIC coverage in the Part assigned to them. Having identified the names of the non-EPIC voters, the BLOs will coordinate with the field administration in EPIC maximization campaign. In coordination with the officials involved in EPIC programme the BLOs will ensure the photo coverage of the voters as per schedule and will see that the EPIC after preparation is handed over to the right person and not to any other intermediary.

7. As the BLOs are expected to do an important job, they need to be given proper orientation and training. Accountability factor should be spelt out very clear to them and it should be brought to their notice that the Commission envisages to evaluate their performance at Booth Level through random verification and through a well defined layers of supervision and control, i.e CEO/Divisional Commissioner/DEO/ERO/AERO. The CEOs are advised to devise and standardize the reporting format at their level in consultation with DEOs so that there is uniformity in approach.

8. The BLOs shall be accountable for their omissions and commissions to the DEO/ERO/AERO. Since they will be engaged in the activities relating to revision of rolls like any other officials they will also be deemed to be on deputation to the

Election Commission of India and as such under the disciplinary control of the Commission under Section 13 CC of the R.P. Act, 1950. The CEOs are also advised to device a supervision mechanism at various levels. Senior officials should make random verifications from time to time and maintain the records so that the effectiveness of the system is evaluated from time to time.

9. Action taken in this instructions should be submitted by the CEOs at the earliest.

Kindly acknowledged the receipt.

Yours faithfully,

Sd/-

No.23/BLO/2009-ERS

Dated: 3rd March, 2010

To,

The Chief Secretaries of
All States and Union Territories

Sub: Appointment of Booth Level Officers (BLOs) – Payment of remuneration – reg.

Sir/Madam,

Electoral Rolls are maintained by the Election Commission of India (ECI) under the Representation of People Act, 1950 and Registration of Electors Rules, 1960. Fidelity of electoral rolls is an essential pre-requisite for a free and fair poll. The Commission decided in the year 2006 to appoint Booth Level Officers (BLOs) as an instrument for collecting actual field information with regard to electoral rolls corresponding to polling station(s) assigned to them. Detailed instructions regarding appointment, duties and responsibilities of BLOs were issued vide the Commission's letter No.23/BLO/2006-PS-II, dated 09.08.2006. So far, the experience has been that BLOs have performed excellent work in the field, both in maintaining fidelity of roll and in maximizing coverage of Electors Photo Identity Cards (EPICs) and Photo Electoral Rolls (PERs). BLOs are normally employees of the State Government. They perform the work of BLO in addition to their normal duties. Work of the BLO involves door-to-door visits in the area of polling station to which they have been assigned. They have to perform this work outside office hours so that it does not affect their normal official duties. During the period of summary revision of electoral roll and during campaigns for EPICs and PERs maximization, BLOs have to spend a lot of time on this work. The Commission, therefore, vide its letter No.23/BLO/2006-PLN-II, dated 19.02.2007 recommended that an amount of Rs.750/- per annum may be paid to BLOs as lumpsum remuneration per polling station. For BLOs in-charge of two polling stations, an amount of Rs.1200/- per annum and for three polling stations Rs.1500/- per annum was recommended. It was clarified vide letter No. 23/BLO/2006/PLN-II, dated 04.06.2007, that expenses incurred in this connection are shared on 50:50 basis between Central and State Governments. The issue of payment of remuneration to BLOs was discussed in CEOs' Conference held in December, 2008. There was almost unanimous view that the remuneration needs an upward revision. As a result of this, the Commission issued instructions vide its letter No.23/BLO/2009-ERS, dated 04.02.2009, that a lumpsum amount of Rs.1500/- per annum may be paid to each BLO for attending to the work of area covered by one part of electoral roll. The Commission had also clarified that States can have individual variations, subject to basic minimum amount of Rs.1500/- per part of electoral roll fixed by the Commission.

2. There has been significant progress in the coverage of EPICs and PERs in the country. While many States have achieved 100% coverage, the overall achievement of EPICs in the country is approximately 82% and of PERs is approximately 80%. The Commission has decided that all efforts must be made to achieve 100% coverage of EPICs and PERs in all States during the current year. Accordingly, the Commission has issued

instructions for a campaign for making EPICs and improving PERs coverage. In this context, the role of BLOs and special strategies for addressing the last mile problems were discussed in CEOs' Conference held in Jaisalmer in February, 2010. The Commission then constituted a working group of CEOs to deliberate and make recommendations for achieving 100% PER and EPIC coverage. The working group of CEOs met on 25.02.2010 in the Commission's office at New Delhi and made various recommendations for achieving 100% PER and EPIC coverage.

3. There was unanimity among the CEOs present during the meeting that the amount of remuneration of the BLOs fixed vide the Commission's letter of even no. dated 04.02.2009 on the above cited subject, needed to be enhanced further taking into consideration the activities to be undertaken by the BLOs throughout the year related to enrolment of voters, revision of electoral rolls, achieving 100% PER and increasing the coverage of EPICs issued.

4. In view of the above, the Commission has decided that the remuneration of the BLOs may be fixed as follows:-

- Fixed component will be Rs.3,000/- per annum for those BLOs who have only one part (polling station). Those BLOs who have more than one part will get an additional honorarium of Rs.750/- per part per annum over and above Rs.3,000/- per annum.
- Variable component shall be as follows:-
 - ❖ Rs.4/- shall be paid to the BLOs for each PER entry of photograph made, if PER percentage in the concerned part is less than 90%.
 - ❖ Rs.5/- shall be paid to the BLOs for each PER entry of photograph made, if PER percentage in the concerned part is 90% or above.

5. Necessary provisions in the Budget of the States/ UTs may kindly be made for meeting the expenditure on the above rates of remuneration of the BLOs.

6. The receipt of this letter may kindly be acknowledged.

Yours faithfully,

Date: 3rd November 2010

To

The Chief Electoral Officer of All
States and Union Territories.

Sub : Appointment of Booth Level Officers (BLOs) – regarding.

Sir/Madam,

In the meeting of Chief Electoral Officers held on 26th October, 2010, the issue of deployment of BLOs, among other issues, was discussed in detail. It was observed that despite the Commission's clear instructions that one BLO should be made responsible for only one part of Electoral Roll, a number of BLOs still continue to have charge of two or more than two polling booths. In this connection, the Commission directed that immediate efforts should be made to draft more staff as BLO to ensure that one BLO remains in-charge of only one part. The Commission has further directed that the BLO should be a government employee who is enrolled as an elector in the part of Electoral Roll, which is under his charge. A suggested list of categories of government/semi government employees in addition to teachers who can be appointed BLO is given below:-

1. Anganwadi workers,
2. Patwari/Amin/Lekhpal,
3. Panchayat Secretary,
4. Village Level Workers,
5. Electricity Bill Readers,
6. Postman,
7. Auxiliary Nurses & Mid-wives,
8. Health workers,
9. Mid-day meal workers,
10. Contract teachers,
11. Corporation Tax Collectors,
12. Clerical Staff in Urban area (UDC/LDC etc.)

CEOs should instruct all DEOs that they take utmost care while deploying semi government employees as BLO. Credentials of these workers should be verified thoroughly to ensure that they do not have any political allegiance.

Yours faithfully,

No 23/BLO/2010-ERS

Date: 13th January 2011

To

The Chief Electoral Officers of All
States & Union Territories,

Sub.- Appointment of Booth Level Officers-Clarification-regarding

Sir/Madam,

I am directed to say that the system of Booth Level Officers (BLOs) has been devised as an effective instrument for collecting actual field information with regard to electoral rolls corresponding to a polling station assigned to them so as to ensure the fidelity of the electoral roll.

The Commission has been laying its emphasis that one BLO should be made responsible only for one part of electoral roll. In view of constraints such as the inadequacy of staff, the Commission vide its letter of even number dated 03.11.2010 on the subject has suggested the list of categories of government/semi government employees who can be appointed as BLO.

It has been brought to the notice of the Commission that there are certain States/UTs where separate polling stations have been set up exclusively for male and female electors of the same polling area covering the households falling under it. Similarly, there are some cases where auxiliary polling stations have been set up in addition to the existing polling station to adjust the excess electors in the same polling area. Deputing two BLOs separately for polling stations of separate male and female electors where such practice is followed or for the existing polling station and the auxiliary polling station in the same polling area may create confusion among the electors and duplication of work by two BLOs. The Commission has considered the above aspect and decided to relax its instructions regarding appointment of one BLO for each single polling station.

Accordingly the Commission has decided that where polling stations are set up separately for males and females of a particular polling area, then one BLO only be appointed for these two polling stations (i.e same polling area). Similarly, only one BLO be appointed for a polling station and its auxiliary polling station.

All the District Election Officers may be informed accordingly.

All the other instructions on deployment of Booth Level Officers issued by the Commission from time to time will remain unchanged.

This disposes the request of the Chief Electoral Officer, Andhra Pradesh with reference to his letter No. 566/Elecs.E/A2/2010-11, dated 02.12.2010.

No.23/BLO/2010-ERS

Dated: 9th June, 2011

To,

Chief Electoral Officers of
All States and Union Territories

Sub: Appointment of Booth Level Officers for a group of sections.

Sir/ Madam,

In a recent meeting of Chief Electoral Officers (CEOs), many CEOs said that, BLOs find it difficult to cover the entire area of the polling station in difficult geographical areas because of hills and rivers in that area. They suggested that in such polling stations, BLOs may be appointed for a group of sections in such a manner that they are able to cover the entire area allotted to them in spite of difficult geographical terrain. Such polling stations will therefore have more than one BLO.

The Commission has considered this matter and has decided that in difficult geographical areas, BLOs may be appointed for a group of sections. These BLOs should be appointed in such a manner that they are able to cover the area allotted to them. No section of a polling station should remain uncovered. There should be a clear demarcation of jurisdiction among the BLOs to avoid any over-lapping /duplication. No BLO should be given the work of more than one polling station. The BLOs should be locally resident in the area under their jurisdiction.

Sir/ Madam,

Booth Level Officers (BLOs) are responsible for maintaining error-free electoral rolls in their polling stations. For this purpose, they are required to do a door-to-door survey and keep electoral rolls updated. They are also required to do a statistical analysis of the health of electoral rolls. This can only be done if record keeping by BLOs is good. For this purpose, a Booth Level Officers' Register has been developed. The Commission has directed that BLOs should be given a kit which should contain the BLOs' Register among other things.

Booth Level Officers' Kit

The Commission has decided that every BLO should be provided a kit consisting of the following:-

1. Bag on which logo of the ECI is printed. All items of the kit shall be kept in this bag.
2. BLOs register.
3. BLOs identity card.
4. Writing pad with sufficient papers.
5. Blank register
6. Pen, pencil, eraser, ruler
7. Copy of BLOs Handbook

The Commission has desired that BLO kit should be prepared and distributed to the BLOs within 15 days so that it is available with each BLO will before the next summary revision.

Booth Level Officers' Register

This register has to be printed for each polling station separately. A brief description of the register is given below:-

2. After the instructions, in second part there is one page in which summary of the statistics of the electoral roll of that polling station shall be filled by the BLO.
3. Annexure-1 of the register is a working copy of the electoral roll which has to be printed using computer software for each electoral roll part separately. This working copy should also have photographs of electors. In addition sufficient space should be given below each entry for the BLO to make corrections where the entry is incorrect.
4. Annexure-2 has the following statements:-
 - a. Statement -1 - Information pertaining to new development of area/ society/apartment/ colonies etc. This should have the details of the housing units and approximate date of completion of construction. This will be filled by the BLO.
 - b. Statement - 2 – List of eligible electors who are resident in the areas covered by Statement-1. To be filled by the BLO.
 - c. Statement -3 – Statistical information of the population of the part. To be filled by the BLO by doing a door-to-door survey.
 - d. Statement – 4 – List of sections comprised in the part.
5. In addition to this, templates of two receipts are also included in the register. One receipt for photographs if the photograph is not included in the roll and the other receipt for photographs if incorrect photograph is included in the roll.
6. Template of notice to be given for deletion of names is also included in the register.
7. A set of 12 statements to be prepared by the BLO during door-to-door survey is also included in the register. These statements shall be prepared by the BLO as a part of door-to-door survey and shall be submitted to the ERO through the supervisors.

A sample copy of the BLO register is enclosed with this letter. BLOs register should be printed for each polling station and given to the BLOs within the next 15 days so that they can start filling it up well before the next summary revision.
